Hello, I am Dusty Foust, founder of Fun with Friends Knoxville (aka Social) and all subsidiaries. With the help of our amazing team, we work to make FwF a level above. While also focusing on giving back to our Knoxville and FwF community. Your company sponsorship aids in this goal. Allowing us to offer services which we feel that any community can benefit from.

We first wish to thank you for considering us. We understand how important it is when choosing who you partner with and we are honored that you have considered Fun with Friends Knoxville. In this document you will find different levels of sponsorship and what we offer for each level. If we know one thing about our ever growing community, they are very active and enjoy spending their hard earned dollars with Knoxville establishments that hold hands with us. We also have many join our group who are either moving to Knoxville or newly here and looking for businesses to meet their needs.

We do have very detailed group/community audience statistics that we don't mind to share. We are the most active community within Knoxville and rapidly growing. Please see levels below and feel free to reach out with any questions. We can also customize levels to meet your desired needs.

LEVEL 1: FWF SHIRT DISCOUNTS

Your company provides an exclusive discount to any member wearing a Fun with Friends shirt into your establishment. We tend to exclusively hold meetups only at locations that extend discounts to our members. While some organizations will ask for pay or a percentage of sales to bring in X amount of people, we just ask to give that back to our members with a shirt discount. We have found this is most beneficial for all parties as we just wish to help you and the community.

In return:

- We hold on-going meetups at your establishment. Our meetups can bring in anywhere from 20-100 people depending on what events we are allowed to hold there.
 - We advertise your business for you every Monday on our own post and it'll have a dedicated space on our fwfknoxville.com website under the "FwF Discounts" tab. This will also have a direct link from all of the FwF Sports sites. That way all playing in the league can see that your location is one to frequent.
 - We will often make posts calling out and promoting your individual company as a "Friend of FwF".
- Our group is mainly comprised of transplants trying to make Knoxville home. Your shirt discount will bring them into your establishment and create a new customer. Allowing them to become a regular as they will wear their shirt in often to get the discount.

LEVEL 2: FWF SPORTS PLAYOFFS OR SINGLE EVENT SPONSOR

Your company provides gift cards/certificates or funds for a single playoff event or single event.

In return: We post that our playoffs or event is sponsored by your company in every mention of the event. That includes at the event itself, across our FwF social pages, our FwF websites, our group page and many pictures posted afterwards.
